On The Way

A Catechesis on Marriage: Created, Wounded, Redeemed

On occasion we still use the old phrase that a man and a woman “enter into marriage.” It’s a significant expression because it indicates that marriage is something distinct from the couple. The bride and groom don’t invent marriage but enter into a reality that pre-exists them. Thus, the phrase touches on the first and most fundamental truth of marriage: it is *created*. It is not the invention of any culture, philosophy, or religion. It is something we receive on its own terms, as we do the rest of creation.

We discern this truth first by way of human reason, when we see the distinction between man and woman. It is evident in the very design of the human person that man and woman are created for one another. The difference between the sexes is designed and ordered toward their union. Indeed, the male and female bodies cannot be fully understood except in relation to one another.

The physical and biological complementary of man and woman is increasingly foreign to our culture. People speak of the “sex assigned at birth” as if our sex were a decision and not a created reality. Obviously, this confusion makes it harder to teach the truth about marriage. At the same time, the confusion comes from the decline in marriage. If we don’t encounter healthy marriages (i.e., husbands and wives striving to live the truth of it), then we won’t see the purpose of our being male and female. We won’t understand the purpose of the distinction between the sexes, why we are created man and woman.

This simple scientific truth about being created male and female is confirmed and defended by scripture. “Male and female he created them” (Gen 2:27). Marriage comes from the hand of God himself. Respect for the truth of marriage is part of respect for God’s creation. As we often speak about our obligation to respect the environment, so also should we realize our duty to respect this aspect of God’s creation.

Second, we can discern by natural reason that marriage is *wounded*. The relationship between man and woman is often characterized by envy, resentment, and mutual recrimination. Their complementarity often becomes competition and even conflict. Again, this is not a uniquely Catholic truth so much as a simple observation that all people of good will can make.

Divine revelation helps to make sense of this woundedness. Scripture reveals to us that the disharmony we see and often experience in marriage doesn’t come from God’s plan or the nature of marriage itself but from the effects of sin. After man’s rebellion, God says to the woman, “your urge shall be for your husband, and he shall rule over you” (Gen 3:16). The meaning and sanctity of marriage remain, but from that point on selfishness, distrust, and domination come to characterize the relationship between man and woman.

Finally, marriage has been *redeemed*. And this is something that we rely entirely on divine revelation to know. Jesus Christ accomplishes his mission as the “Bridegroom” (cf. Mt 9:15; 25:1-13; Jn 3:29). He begins his work at the wedding at Cana in Galilee (Jn 2:1-11) and brings it to completion at the “wedding feast of the Lamb” (Rev 19:9). In his argument with the Pharisees (Mt 19:1-12), Jesus explains that divorce (a violation of the truth of marriage) was allowed because of their hardness of heart. But he has come to restore the original meaning of marriage, what was intended “from the beginning.”

Parish News

Saint James 40 Hours Devotion

Thank you to all who participated in our Parish 40 Hours Devotion last month. It was wonderful to see so many people adoring our Lord, even during the wee hours of the morning.

Father Scalia would especially like to thank the different parish groups that led the Rosary and the Chaplet of Divine Mercy, Father Dan Hanley who preached at our Vespers, Don Carolina and our choir for their beautiful chant at Vespers, and Julie Marx who coordinated our Adoration signup. We hope you will join us for our next 40 Hours Devotion in December 2023.

Parish Inclement Weather Policy

Now that winter is here, please remember that **Mass takes place as scheduled regardless of the weather**. Please use your best judgement in severe weather conditions when main roads and neighborhoods may not be safe to drive. Remember that the 10:30am and 2:30pm (Spanish) Sunday Masses are livestreamed on our Facebook page and website.

Park Avenue is an emergency snow route. Use our parking lots and avoid parking there during a snow emergency. Details about snow emergency policy are available on the Falls Church City government website at www.fallschurch.gov.

During inclement weather, *our Rectory office follows the Falls Church City Government*. The school and religious education program (PREP) generally follow Falls Church City Schools. You can find the school district's operating status at www.fccps.org. The school and PREP also have their own notification systems.

Parish Improvements Coming Soon!

Construction begins this month on two projects in the church. Both projects will cause some disruptions during the construction period. Please be patient as we navigate these disruptions together.

First, we are renovating the public restrooms. We are adding ventilation and hot water, two amenities these restrooms have never had. And we are making both restrooms more accessible to patrons with mobility challenges.

The second project is our Sanctuary Restoration & Renewal, which you have read about in the bulletin and in a mailing sent to your home.

As a result of these construction projects, the following schedule changes will occur:

WEEKDAY MASS TIMES AND LOCATIONS

- **Effective Monday, January 9th,**
 - ◊ the 8:30am weekday Mass will be moved to 8:15am,
 - ◊ the Noon weekday Mass will be moved to Monsignor Heller Hall.

These changes are to accommodate our Restroom Renovation and Sanctuary Restoration construction projects and will extend through at least March 23rd. During this period, the new weekday Mass schedule will be as follows:

- **Temporary weekday Mass schedule during construction**
 - ◊ January 9th through at least March 23rd
- **Monday through Friday**
 - ◊ 6:30am in the Church
 - ◊ 8:15am in the Church
 - ◊ Noon in Monsignor Heller Hall

WEEKDAY EUCHARISTIC ADORATION

Please note there will be no weekday Eucharistic Adoration during the construction period. We will still have our monthly First Saturday Overnight Adoration as well as the Young Adults Holy Hour on the third Thursdays.

WEEKDAY CONFESSIONS

Wednesday and Thursday confessions will continue as usual. First Friday confessions will move to Monsignor Heller Hall.

CHURCH RESTROOMS CLOSING JANUARY 9th-MARCH 23rd

Church restrooms will be closing on or around Monday, January 9th. Construction will begin at that time on our Church Restroom Renovation project which is expected to continue through at least March 23rd.

- **During this construction period, there will be no public restrooms available for use in the Church.**
 - ◊ The closest usable restrooms will be in Monsignor Heller Hall, accessible through Door 14, and will only be available during the noon Mass and weekends due to school security.

We will continue to provide parishioners updates via our bulletin, social media, website, and Father Scalia's parish emails.

ROCKET FIELD UPDATE

Exciting News! The engineering site plan for a new-and-improved Rocket Field has been completed and submitted to the City for permitting. The plan includes soil modifications and leveling of the field to improve drainage, giving the school students many more days when the field will be dry and usable for them.

To protect the new sod that we will install, a built-in irrigation system will be included as a site plan amendment; the irrigation contractor has already been out to confirm the water connection point and the route which the system will take from the Convent to the Field.

The site plan also includes replacement of the currently unusable walking path surrounding the field with a wider path for walking and running laps.

Now that the site plan has been submitted, we wait for the City to review it and respond with their comments and changes. We expect that process to take about five weeks. We are still on track to break ground in the spring!

Register for WorkCamp 2023 Before January 15th

Registration for WorkCamp is open for all high school teens currently in grades 9-12. **WorkCamp will be held from June 17-23, 2023**, in Frederick County, Virginia. In addition to attending the entire week of camp, teens are required to attend four preparation meetings and participate in fundraising activities. The cost is \$525, but the fundraising covers a large part of this. Each parent should plan to volunteer in some way such as helping with fundraising, spending one afternoon at camp as a security volunteer, being a crew leader, or helping in some other way. **The deadline to register is January 15th.**

Adult volunteers are needed as well. We need to secure adult volunteers since the number of students is limited based on the number of adult volunteers. We need one adult female crew leader for every 1-5 girls, one adult male crew leader for every 1-5 boys, and one contractor for every 1-5 teens. If you are 25 or older, please consider volunteering as a crew leader to join us for the week, or if you have basic home repair or building skills, please consider volunteering your time as a contractor (Monday-Thursday). WorkCamp is a big commitment, but it comes with lots of personal rewards. Email Karen Graffam, klgraffam@gmail.com, if you are interested in participating.
